Output folder for PDF

The screenshot shows the 'Print Reports (New)' application window. On the left, there is a 'REPORT CATEGORY' table and a list of report types. The main area is divided into 'Individual Reports' and 'Batch Reports' tabs, with 'Report Output (PDF)' selected. A file explorer shows the drive 'f: [myapp]' with folders 'AppD7', 'PAMS2000', 'Report', and 'MyNewFolder'. A 'Create New Folder' button is highlighted with a callout box. Below the folder list, there is a 'Total' field showing '0' and a red instruction 'Double-Click to Open the PDF Report'. At the bottom right, there is a 'Batch Print' button and a progress indicator showing '0%'.
